## RESIDENTIAL PROPERTY HIGHLIGHT: SINGLE-FAMILY DETACHED HOMES

### Almost \$3B in Q1 Florida Ultra-luxury House Sales

First quarter advertised ultra-luxury home sales realized an average price gain of 6% as evidenced by the median price point rising from \$6.63 to \$7 million, year-over-year. Despite the fact that the category of the \$5 million-plus priced detached houses saw a decrease of 42% in the number of properties sold, altogether, the numbers represented a little over \$2.9 billion in total ultra-luxury home sales during January through March, as compared to slightly over \$2.4 billion during the same period of 2023.

Florida's top advertised sale of the quarter was the \$32.5 million purchase of 1140 S. Ocean Boulevard in Manalapan. Seller's agent Pier Visconti of Douglas Elliman described the estate as having the "... opulence of the Addison Mizner era with a blend of classic charm and modern elegance."

Last month's top advertised sale also took place in Manalapan. The estate at 1960 S. Ocean Boulevard brought \$27.5 million and was listed by Gary Pohrer of Douglas Elliman. The buyer was represented by Nicholas Malinosky, also of Douglas Elliman.

## RESIDENTIAL PROPERTY HIGHLIGHT: CONDOMINIUM ATTACHED HOMES

### Average Ultra-luxury Condo Prices Beat House Prices in Q1

The first quarter in the highest end advertised Florida condominium market saw the stellar sale of Penthouse 4 at the Surf Club Four Seasons Residences in Surfside. Spanning 7,000 square-feet across 3 levels of living space facing endless vistas of the Atlantic Ocean, the property brought \$48 million and was the largest sale of the quarter, as well as the last 12 months. Michael Duchon of The Corcoran Group presented the listing and Ximena Penuela of Fort Realty brought in the buyer.

First Quarter numbers show an increase of 6% in the median selling price of advertised Florida condos in the \$5 million-plus category, from \$6.73 million to \$7.15 million year-over-year, and a 42% decrease in the number of sales. There was also a 43% decrease in the number of new listings in the category.

While the average sales values of individual ultra-luxury properties continued to be bullish, it appears the decrease in the shrinking number of sales took a big hit in the market segment where the total of Q1 highest end advertised condo sales in Florida brought \$594.19 million, and Q1 2023 totaled \$974.73 million.
